

## Online Learning Solution for improving Spoken English

Thousands  
are speaking better English  
with us!

## About EnglishBolo

EnglishBolo is a blended learning solution that helps improve English speaking skills, anytime and anywhere.

Launched by IL&FS Education in collaboration with US based ed-tech company English Helper, It is targeted at employed youth across hierarchy who would like to improve their English and excel in their personal and professional lives

## Learning Methodology

EnglishBolo is based on the value of multisensory learning, encouraging learners to read, listen, and speak to improve confidence and fluency.

The programme is made up of 2 segments that complement each other – Self learning lessons and Teacher led classes

### SELF LEARNING

#### 40 'Learn Yourself' Modules

This is facilitated by the tools built into the programme, including read aloud at various speeds, pronunciation tools, dictionary, picture dictionary and multilingual support

### TEACHER LED CLASSES

#### 10 'Learn with a Teacher' Modules

After every 3 self-learning classes, learners can join online conversation practice classes with expert teachers to help build confidence and spoken English skills

## Programme Requirements

### Connectivity

Access to broadband or 3G data services

### Hardware

Learn on any device - Computers, Smart phones or Tablets

### Time

Devote at least 4 hours each week; 3 hours for self-learning & 1 hour for teacher led virtual

## Learners Speak

This programme is very good for learning and speaking English. Thank you.

Chandan Kar, Employee

EnglishBolo helped me to speak English fluently in any situation, whether it is personal or professional. Thanks again to the team.

Trinathkabir, Employee

Joining EnglishBolo course was a good experience for me. The course has very sound content to learn English as well as very precise and interesting.

Vyas, Housewife

Learning with EnglishBolo was a superb experience. Speaking English has become so easy. Now when someone speaks to me in English I don't fumble neither get scared to talk. I speak very confidently. Thanks to EnglishBolo.

Parth, Student
